Pastoral Internship Program

P.I.P. Summer College Internship

The *WTAP P.I.P. Summer College Internship* has been developed to aid and provide opportunities for college students and Global University students. It is known that most colleges and universities, as well as, Global University need a practical portion to graduate. This 120 hour, three to four week summer internship is offered to help you graduate and train you to grow in the Lord.

What will I do?

You will work with a pastor in your home church region. You will serve and learn from the pastor and the resources provided for you.

Will I be paid for this internship?

Yes, you will. You will be paid \$100.00 a week up to four week and housing will be provided.

You will be local, paid, provided for, and fulfill your requirements for graduation. This is a perfect scenario for the college student working his way through.

Thank you for your interest, be blessed.

It is expected that interns live in such a manner that brings glory to God in their behavior and attitudes both in and outside of internship settings. Therefore, interns are expected to follow codes of conduct that should not be taken legalistically, but as boundaries for protection and integrity while in the P.I.P. Summer College Internship.
