

AXIS
SUMMER INTERNSHIP

WTAP Axis Summer Internship

Axis Summer Internship is an internship designed for high school students who love Jesus and are wanting to grow in leadership and experience. Axis is a challenging six-weeks mixed with learning, serving, fun, friendship, and making a Jesus impact. The students will take a college course (*bib121 introduction to hermeneutics- how to study the Bible*), and learn about eight levels of ministry.

The Axis interns will learn and practice ministry. Axis interns will be trained in the following:

- A. Personal relationship with God**
- B. Leadership**
- C. Servanthood**
- D. Worship and Media**
- E. Evangelism and Discipleship**
- F. Children's Ministry**
- G. How to prepare a sermon**
- H. How to lead someone to Jesus**

Axis summer interns will go back to their churches fired up, trained up, and ready to work effectively for God. There is a cost to join, but we will help you figure out how to raise the money, because we want the elite WTAP youth to be powerful and make a difference where they live and minister.

We look forward to meeting you.

CODE OF CONDUCT

One of P.I.P.'s most important goals for each intern is to facilitate growth and development of Christian character and leadership in line with biblical principles. Interns are looked upon by others as examples of how to live, give, act, serve, respond and love. It is expected that interns live in such a manner that brings glory to God in their behavior and attitudes both in and outside of internship settings. Therefore, interns are expected to follow codes of conduct that should not be taken legalistically, but as boundaries for protection and integrity while in the Axis Summer Program.

Therefore, each intern is expected to:

- To refrain from dating, interns are not allowed to date anyone in the internship as we want the focus to be totally on God and their internship.
- Deepen relationship with God and make knowing Him priority.
- Communicate a spirit of excellence in speech, conduct, appearance and attitude.
- Develop leadership skills by taking initiative, both verbally and practically.
- Encourage fellow interns, be a team player and build solid relationships with others.
- Be willing to go the second mile and serve wherever needed.
- Be prompt and faithful in attendance to all scheduled classes and activities.
- Be responsible in the area of finances and all financial commitments.
- Come under the authority and covering of Axis and its staff and leaders.

APPLICATION FUNDRAISING IDEAS

Interns should do more than just send out support letters. We recommend dividing up the tuition amount by the number of weeks you have before the tuition deadline. Each week plan a fundraiser to raise the amount you need that week. Then as support monies come in they can go towards your tuition first, and the monies raised through personal fundraisers may be used towards your personal finances. ::Below are some suggestions for fundraisers ::

1. Go Fund Me
2. Online/ Social Media
3. Facebook
4. Get a Job
Get a summer job and save!
5. Have a _____ a-thon
For example, have a: bike-a-thon, pump iron-a-thon, skate-a-thon, walk-a-thon, prayer-a-thon, etc. Get sponsors to pledge for every mile you walk, skate, ride - you get the point. Set a goal and let the sponsor know beforehand so they have an idea of how much they will have to pay.
6. Cleaning/ Yardwork / Miscellaneous Services
7. Matching Funds
Make your sponsor's money go further by presenting a "matching funds" opportunity. Find people of businesses to sponsor you and match every dollar you raise up to a certain amount (\$100, \$500, \$1,000, etc.). Have your sponsors talk to their company or corporation about employee matching funds programs.
8. Babysit
Offer one night (or several nights) for parents to let you watch their kids (ideal in December). This is a great chance for parents to do some Christmas shopping or for parents just to get out for a while. Let the parents know ahead of time how much you will be charging per hour for each child. Or, take a free-will donation.
